

8.16: Official Slalom Course

Slalom Course Dimensions

Note: The average of the six measured F dimensions cannot be less than 11.48m and not more than 11.54m.

Buoy colours as follows:

Entry and Exit gate: Red/Orange **Skier Buoys:** Red/Orange **Boat Guide Buoys:** Yellow.

Boat path alignment (pre-gates) of colours contrasting to the skier and boat gate buoys (green recommended).

For safety reason soft buoys must be used for gates and skier buoys.

For additional Boat Guide buoys width tolerance, refer to rule [25.08](#).

8.17: Optional Slalom Course Turn Buoy

The following diagram shows the placement of an optional turn buoy and mandatory pre-gates for the official slalom course shown in (8.16). It is highly recommended that the optional turn buoys be used
